3 Way Conferences

Thank you to all the parents and students who attended the 3 Way Conferences last Thursday. It is wonderful to see the level of dedication from our families and students in relation to student learning.

For many of our families, students attending the interviews is very different to what they may have experienced themselves as a child. I know when I was at school, my parents would go to the interviews and I would wait anxiously at home wondering what was being said. Thank goodness those days are behind us and children now play a crucial part in their own education journey.

This starts from a young age where we encourage students to write comments for their reports about their learning and they reflect on their learning each day at the end of learning sessions. It makes sense for children to be able to hear what is being said about them at interviews and also for them to make contributions to the discussions. It is important for them to hear about the things they are doing well and also areas for improvement. After all, learning is a partnership between children, parents and school staff.

Parent Opinion Survey

Last week email or paper notifications were sent to 100 of our parents, asking you to complete the 2019 Parent Opinion Survey. So far only 6 parents have completed the survey so far and we really need many more responses to be

able to gain a clear picture of how parents feel about the important work we are doing at our school. The survey will only take 10 minutes and we would really appreciate you completing it for us. If you don't have a device at home to access the survey, we are happy to provide one for you at school to use. Just speak to Scott or I and we will make arrangements for you.

Building Plans

Last week Scott and I met with the Department's building project team and also the architect for our fabulous new school. It is hard to believe that in only 16 months we will have a whole new school. We will be meeting with the architect again in three weeks time to see the initial plans he has drawn up for our school. It is all very exciting to think our students will finally have the opportunity to work in flexible new spaces rather than our cramped 1972 spaces.

Mini Fete - Wednesday 18 September

In preparation for our new school we have begun cleaning out some of our spaces. We are also planning to move the Mini Fete to the end of term 3 rather than term 4 to assist us to sell the items we no longer need. Over the next few weeks we will provide more details about the items we will be selling including Maths text books and equipment, furniture (desks, chairs and bookshelves). The more money we raise with our sales, the more money we will have to purchase new items for our new buildings.

Teddy Raffle - Drawn Monday 12 August

Remember to send your raffle tickets back if you would like to win one of our cute and cuddly toys. Although, you may need to buy a bigger bed if you win **BIG** Ted!

STUDENT SAFETY

We continue to be concerned by the safety of our students at the front of the school as a result of our parents not following basic road rules.

Help us to keep our children safe by:

- 1) Ensuring they only cross at the crossing
- 2) Travelling in one direction along Cleveland Street and not doing U-Turns and blocking the flow of traffic
- 3) Not parking on the crossing or in NO STANDING zones.

These are just three of the things I have seen our parents do recently. The Whittlesea Council and Police are aware of our concerns and are monitoring the situation. Some parents have already received infringements notices for not following the rules and risking the lives of our students.

I ask that all members of our community to please show **COOPERATION, CARING** and **RESPECT** when using Cleveland Street.

CHILD SAFE STANDARDS

Information for Families

Lalor East Primary School will act to protect children from abuse and build an environment where children feel respected, valued and encouraged to reach their full potential. We do this by providing a culture of child safety embedded throughout our school so that child safety is part of everyone's everyday thinking and practice. This culture has been achieved through proactive leadership in demonstrating the appropriate values, attitudes and behaviours of Lalor East Primary School.

Our child safe environment is the product of a range of strategies and initiatives. At Lalor East Primary School, we foster a culture of openness, inclusiveness and awareness. Children and adults know what to do if they observe or are subject to abuse or inappropriate behaviour.

All staff and volunteers must consider the safety of all children, and recognise the importance of cultural safety for Aboriginal children, cultural safety for children from culturally and linguistically diverse backgrounds and the safety of children with a disability.

OUR COMMITMENT TO CHILD SAFETY

Lalor East Primary School:

- has zero tolerance for child abuse
- actively works to listen to and empower children
- has systems to protect children from abuse, and will take all allegations and concerns very seriously and responds to them consistently in line with the organisation's policies and procedures
- is committed to promoting physical, emotional and cultural safety for all children
- is committed to providing a safe environment for all children.

CHILD SAFETY OFFICER

Linda Richards (School Principal) is our designated Child Safety Officer.

Around the World!

Card Games and Magic!

Uno! The children and I have loved playing Uno. We have mastered our skills and have challenged ourselves by handing out 14 cards each. WOW! Uno Legends! We have also been practising our card skills by playing Solitaire and demonstrating our magical card trick abilities.

Our OSHC oven has been working overtime, as we have cooked up delicious banana and oat muffins (my favourites so far) and spaghetti and bread muffins. YUM! We even cooked up scrumptious pancakes too.

The OSHC room has turned into a jungle as we have explored all our favourite cats, meow! Jaguars and Leopards are very similar, and some snakes can be scary but beautiful with rainbow like colours. The OSHC room also turned into a warm, cosy cubby house as we have used all our chairs, pillows and blankets. The children have had a blast playing and laughing together.

To register and book your child in our program, visit www.campaustralia.com.au and use the school finder on our homepage to search for Lalor East PS School. To secure a spot for your child, we always recommend making your bookings in advance. **Your first session is free for new families! Yay!**

If you have any questions about the program – feel free to drop by, meet the coordinator Natalie and see what happens in After School Care first hand. You might be lucky; you could walk out with a delicious corn fritter (or a pancake).
