# Prep to 2 Digital Technologies Acceptable Use Agreement 2020

Computers are lots of fun to use. When I use the computers, iPads and other devices at school, I will remember our school values of Respect, Cooperation, Caring, Honesty and Personal Best.

## Computer Use

When using the computers at school I will:

- keep my password secret
- take care and be gentle with the computers
- not eat or drink near the computer.

## Internet Access and Online Behaviour

When using the Internet, I will:

- only go on websites my teacher tells me to
- click on the back or home button if I see something that makes me feel sad or upset and tell my teacher straight away
- be polite and not use the computer to say mean things to others
- only use my first name on websites and keep my personal information private
- not send my photos to anyone without my parent's or teacher's permission.

**If I don't follow the computer rules I will not be allowed to use the computers. My teacher will call my parents.**

## Parent/Guardian Agreement:

I understand the school will provide adequate supervision and that steps have been taken to minimise risk of exposure to unsuitable material. I have discussed the conditions set out above with my child and support this Acceptable Use Student Contract.
