

5/6 INTERSCHOOL SPORT PROTOCOL 2015

This protocol was formulated by the 5/6 Teachers as their agreement to Interschool Sport for 2015.

The following are the points that underpin the protocol:

- importance of the engagement of the students to promote the best skills
- importance of teacher's enthusiasm and passion for the sport concerned
- coaching skill level appropriate for the sport and team's ability
- teachers not involved in coaching, where practical, will be involved in supervisory roles, e.g. Athletics/Cross Country/Alternative Sports Program (ASP)
- LEPS staff who are not coaching an Interschool sports team are required to supervise the Alternative Sports Program and run activities if required
- coaches determine player list based on attitude and performance
- all Interschool Sports and ASP team members must sign the Interschool Sport and ASP Contract. If a student has breached this contract their participation in Interschool Sport or ASP will be reviewed by the coach and other teaching staff
- a communication book is located in the staff room. All MAJOR breaches of the Interschool Sport and ASP contract should be recorded in the book by 3:30pm on Thursdays. Teachers and coaches involved will determine disciplinary actions for students . (Any problems that may occur at training will be at the discretion of the coach)
- as a courtesy teachers should notify coaches of ineligible students

The Inter-School Sport Protocol will be reviewed at the beginning of each year by the current 5/6 Team in consultation with the P.E. Teacher.
