Lalor East Primary School

28 October 2025

Dear Parent/Guardian

Lalor East Primary School is looking forward to another great year of teaching and learning and would like to advise you of Lalor East Primary School's voluntary financial contributions for 2026.

Schools provide students with free instruction to fulfill the standard Victorian curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all your support, whether that's through fundraising or volunteering your time. This has made a huge difference to our school and the programs we can offer.

Within our school this support has allowed us to offer a wider range of subjects and special curriculum experiences; enhanced digital learning opportunities and many other experiences we would otherwise not be able to offer.

We are very proud of the education programs and learning opportunities and activities that are on offer at Lalor East Primary School. Our School Council is proud of the excellent quality of our facilities and resources available for our students to enjoy and few schools match the numerous programs we offer to cater for students' needs and interests. However, these do not come without extra costs. Each year Lalor East Primary School parents show positive support for the school through parent payments and fundraising efforts. This support has led to considerable improvements being carried out, especially in the areas of computer technology, numeracy and literacy and through the provision of outstanding resources.

Lalor East Primary School makes every effort to keep the voluntary contribution requests to a minimum and affordable for all parents. School Council has recently completed its annual review of the Parent Payment Policy and Parent Payment Charges for 2026.

Please find the contribution schedule for **Grade 2** attached. Please complete this form and return to the school by **Friday 28 November 2025** so the school can prepare accordingly.
